

# Find Ethanol for your FFV

 Stations Offering Higher Than 10% Blends of Ethanol, Like E85

To locate these stations by address and specific location, log on to <http://www.afdc.energy.gov/locator/stations/>

The map displays the state of Florida with various cities marked by gas pump icons representing ethanol stations. A dashed line indicates a route starting from Pensacola, going east through Panama City, Tallahassee, Jacksonville, Gainesville, Orlando, Tampa, St. Petersburg, Port St. Lucie, Fort Meyers, Pompano, Ft. Lauderdale, and ending in Miami. The map also shows parts of Alabama and Georgia to the north.

**Alabama**
